For particularly large or complex projects that require significant amounts of staff time, the Planning Board may require that additional fees be charged based on the direct amount of staff time required for processing the application. Each applicant will be entitled to a total amount of billable staff time equal to the minimum application fee divided by \$50 per hour. If a project is deemed large/complex, any staff time over the minimum application fee will be billed at \$50 per hour. Billable staff includes the Planning Director, Planning Department staff, Senior Engineer, Public Works Director, Fire Department, Police Department Safety Officer, Chief Building Official, Town Assessor, and other Town Officials as appropriate.

*Impact Fees for certain affordable or workforce housing projects may be reduced by the Planning Board for housing units that are subject to long term covenants that limit occupancy to households with incomes at or below 50% to 60% of the area median income. Applicable reference standards for area median family income by household size are published annually by the U. S. Department of Housing and Urban Development.

The Planning Board may assess impact fees to such developments at 50% of the standard fees for units sold or rented to households with incomes at or below 50% of the HUD area median income, or at 60% of the standard fees for units sold or rented to households with incomes at or below 60% of the HUD area median income. No discounts of impact fees will be available to market rate units or units that are not subject to these income restrictions.

Schedule of administrative fines.

Chapter 270, Food service Establishments and Retail Food Stores

The Health Officer or his/her designee shall impose administrative fines in the specified amounts for the following violations:

- (1) For willful submission of false or fraudulent information on or with an application, in violation of § 270-56, the fine shall be \$500.
- (2) For failure to operate a food service establishment or retail food store only in the manner in which it is licensed to do so, in violation of § 270-56, the fine shall be \$500.
- (3) For failure to cooperate during an inspection of a food service establishment, retail food store, mobile unit or vehicle used to sell retail food, including but not limited to failing to allow Department representatives or inspectors to inspect food service establishment or retail food store premises and vehicles at all times, in violation of § 270-56, the fine shall be \$1,000.
- (4) For failure to notify the Department by telephone within 24 hours of any fire or other disaster that jeopardizes the safety or sanitation of food provided in food service establishments or retail food stores, in violation of § 270-56, the fine shall be \$100.
- (5) For failure to notify the Department pursuant to change of food service establishment ownership, pursuant to § 270-56, the fine shall be \$100.
- (6) For failure to notify the Department prior to moving the location of a food service establishment or retail food store pursuant to § 270-56, the fine shall be \$100.
- (7) For failure to submit a plan for review as required in § 270-57, the fine shall be \$200.
- (8) For failure to discard food as required under § 270-4 and in the manner instructed to do so by the Department, the fine shall be \$250.
- (9) For failure to cease operation upon notification by the Department to do so, the fine shall be \$500. Each day that a license holder fails to cease operation shall be considered a separate offense subject to an additional \$500 fine.
- (10) For failure to cease operation after a license has expired, when an application has been denied, or when a license has been revoked, the fine shall be \$500. Each day that a license holder fails to cease operation shall be considered a separate offense subject to an additional \$500 fine.
- (11) For a violation of the same critical violation as defined in § 270-3 for more than two consecutive inspections, the fine shall be \$500.
- (12) For failure to pay an administrative fine within 30 days of its imposition, or the completion of any appeal of the administrative fine, the fine shall be \$100 per day for the duration of the license.
- (13) For failure of a health inspection, with a red inspection the fine shall be ½ the annual food service license fee in addition to Subsections B (1) through (12) above, if applicable.
