## RULES & REGULATIONS

- Keep your plot and the adjoining pathways tended. If your plot appears to be untended for a period of 14 days and you have not contacted the Town, your plot will be given to another gardener.
- Plant tall plants and vines in places where they will not interfere with your neighbors plot.
- At the end of the garden season, all dead plants and non-plant materials (strings, wire, metal, plastic, etc.) must be removed and disposed of properly and all gardens left neat and tidy. Plots must be cleaned to the bare ground. If the garden plot is not cleaned by 11/1/25, you will lose your gardening privileges for the following season.
