

**MINUTES OF THE  
DEPOT VILLAGE ADVISORY COMMITTEE (DVAC)  
REGULAR MEETING OF April 16, 2025**

**Salem Town Hall, 33 Geremonty Drive, Salem, NH Knightly Room**

**PRESENT:** Crayton Brubaker, John Vogl, James Danis, Cindi Woodbury, Larry Belair  
**Also Present:** Paul Pelletier, Beverly Glynn, Howie Glynn, Gail Coleman, Pat Good, Katie Duffey, Dave Topham, Bob Dennis, Gordon Leedy, Jacob LaFontaine

**CALL TO ORDER:** Mr. Brubaker called the meeting to order at 3:00 pm

**Review 2<sup>nd</sup> Draft Concept Plans and Discuss:** Mr. Leedy from Tighe & Bond presented the 2 revised conceptual plans; he noted these were still works-in-progress. Mr. Leedy went through each section of the plans and described the programmatic elements of each. He noted that the existing masonry and architectural elements of the existing Depot building housing the Chamber of Commerce will be used for any new buildings. He noted that the prominence of the existing building and the veteran's plaza will continue to be the focal point of the Depot Park. The parking was reconfigured to be one way in and one way out. The second plan had some minor changes to the food trucks, event lawn area, parking, removal of the rental space, etc.

Ms. Glynn discussed options for food and drink concessions and potential revenue sources for maintenance of the park. The Committee discussed the logistics of food trucks and what other communities do with food trucks in public park areas. Mr. LaFontaine noted that food trucks generally activate public spaces. The Committee discussed the logistics of the potential lease space. Mr. Pelletier noted his support for historical signage and a potential caboose. The Committee discussed traffic situations and potential issues and signage that may be helpful. Mr. Brubaker relayed Ms. Corinne Gordon and Mr. Jimmy Koczt's comments to the Committee – including support for musical instruments, bathroom meetings, the caboose, bike racks, etc. Mr. Topham discussed a potential trolley car rather than a caboose. The Committee discussed the status of parking options. The Committee discussed the potential for a fountain and a gazebo in front of the Chamber.

Mr. Brubaker began a series of discussions to gain consensus with the Committee on what programmatic elements in the Depot Park would be supported or not supported going forward. This included:

- Proceeding forward with a gazebo, patio, and or fountain structure in the northern parcel along NH Route 28
- Having gardens and open space in the northern parcel along NH Route 28
- Signage and benches throughout the park working in coordination with the Friends of the Salem Bike Ped Corridor
- Switchback ADA ramps on the northern parcel and southern parcel along NH Route 28, including an option for walking bikes up
- Keeping the proposed parking spaces along NH Route 28 and the existing parking along Central Street, noting that the long-term lease with the Tuscan parking lot across Central Street
