Meeting Schedule	2
Field of Dreams	2
Community Services	3
Rain Barrels	3
Fire Department	4
Salem Community TV	4
Planning Board	5
Salem Bike-Ped Corridor	6
National Night Out	6
Voluntary Water Restrictions	7

This month's Coffee with a Cop was held in Starbucks at the Mall at Rockingham Park on Thursday, July 26th. This is a national program designed to interact with the community in an informal setting and they have had much success. The location rotates to various coffee shops in town and is held roughly every other month.

SCTV spoke with Starbucks store manager Dana Ashton and barista Sam Blanchard and they both said they enjoy the Coffee with a Cop program and are always happy to participate in it. It was a great showing by the Salem Police Department and many mall walkers stopped by to tell the cops how much they are appreciated in town. We caught up with many of the Salem's Finest including Capt. Joel Dolan, Deputy Chief Rob Morin, Community Affairs Officer Mike McCarty, and Detective Mike Geha.

We hope to see you at the next Coffee with a Cop which will be held at the Ingram Senior Center on August 10th from 9 to 10:30 am.

Community Services

Ingram Senior Center Volunteer Spotlight - Marie Gauvin

Years of Service: 7
Volunteer roles: Leader of Outdoor Walking Club, Co-Leader Tai Ji Quan-Moving for Better Balance, Bridges Together, Cookbook Fundraiser Committee & Lead Salesperson, Special Events, and past Circuit Leader.

How did you first get involved with the Senior Center? My cousin wanted to do a Tai Chi class. I signed up to become a member. Six weeks later I started volunteering as a leader of the Outdoor Walking Club.

What were you like in high school? I went to Lawrence High School. I was an okay student. I never skipped school, was never late or got into any trouble because I was a shy girl then.

What was your first impression of the Center? It was not what I thought it would be. But I am happy about all the programs that we can choose to do that will make us healthy.

If you were stranded on an island what 3 things would you want other than food and water? I would want my Kindle, a coloring book/ crayons and my Nano iPod.

If you didn't have to sleep, what would you do with the extra time? I would listen to music, dance and drink wine.

What gets you fired up? When people listen in on your conversation.

What do you wish people knew about you? I want to remain a mystery. I don't want people to know who I am - let them guess! (She said laughing.)

If you had \$30,000 to donate to our Center, what would you do with it? I would give Dawn (Instructor of Ageless, Night Yoga, Pilates and Zumba) a bonus. She works hard and deserves it, she has been here seven years.

Salem Recreation Department Adventure Camp

Adventure Camp is a field trip based camp where kids 11-15 years of age experience 2-3 action packed activities each week. The camp recently traveled to the Hall at Patriot Place where they were able to view various Patriot exhibits, try on a uniform and get an autograph from former legend Steve Grogan. Future trips include Merrimack Valley Paintball, kayak/canoe the Contoocook, Canobie Lake and deep sea fishing.

Rain Barrels

The 2018 Rain Barrel program has come to a close. The 85 rain barrels were delivered to Town Hall on July 25 and residents came to pick them up that evening. A great group of enthusiastic volunteers from the Boys and Girls Club's Keystone Club helped residents load the barrels into their cars. Check out the [YouTube videos](#) created by the Great American Rain Barrel for some helpful tips about installation and use of your rain barrel. If there is enough interest, we will try to run the program again next spring. Thanks to everyone who participated!

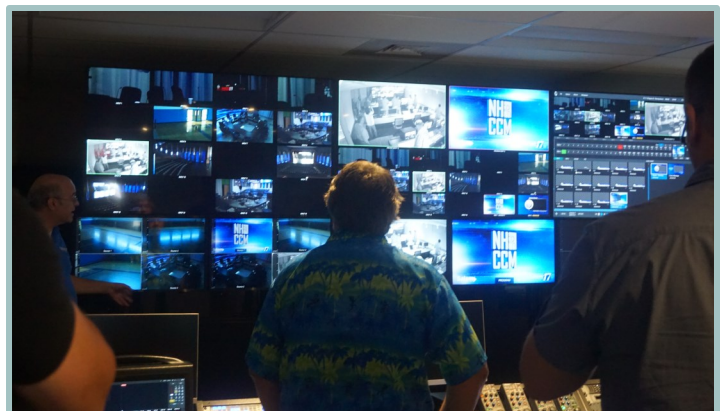

Fire Department

The swearing-in ceremony for State Fire Marshal Paul Parisi was held on July 20th at the Main Street Salem Fire Department among a large crowd of family, co-workers and friends. Assistant Chief Larry Best was the emcee for the event and he gave a brief timeline of Paul's service. He said that Paul Parisi is a "Leader among Leaders". Many speakers echoed the same sentiment throughout the day. Governor Chris Sununu brought his trademark energy to the crowd and culminated his speech with the official oath to office as Chief Parisi raised his right hand with his wife Darla by his side. Fire Marshal Paul Parisi wrapped up the event expressing his heartfelt appreciation and warm thoughts of his service with the Salem Fire Department. Many family pictures were taken at the end of the ceremony. The entire event can be seen on SGC 23 and with this online [link](#).

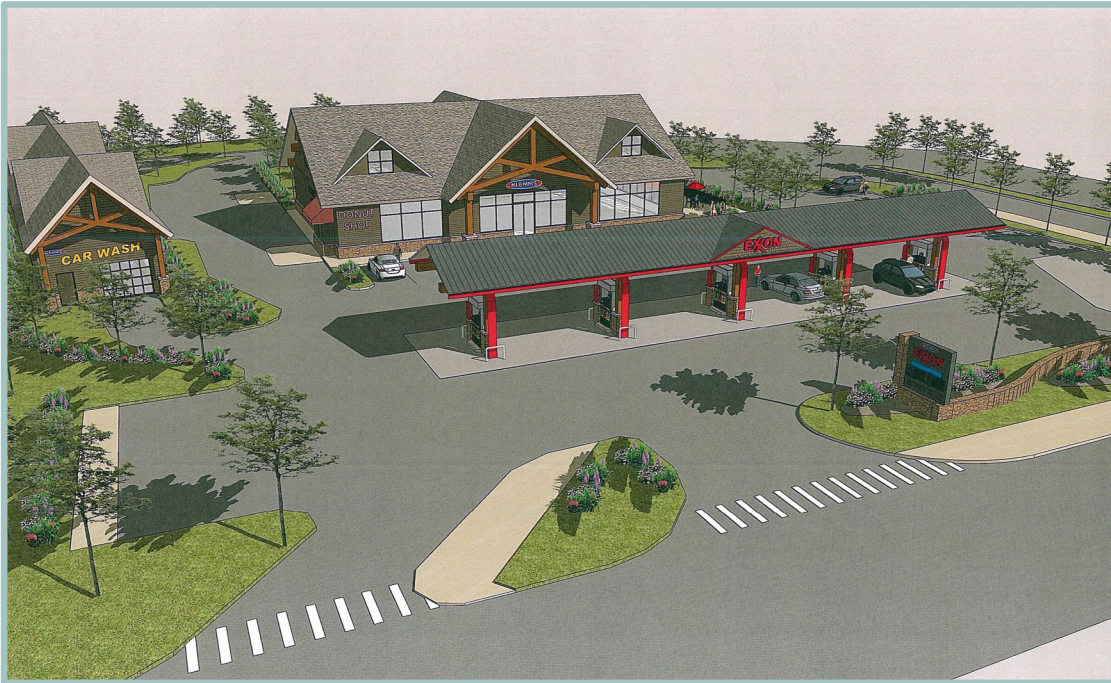

Salem Community Television

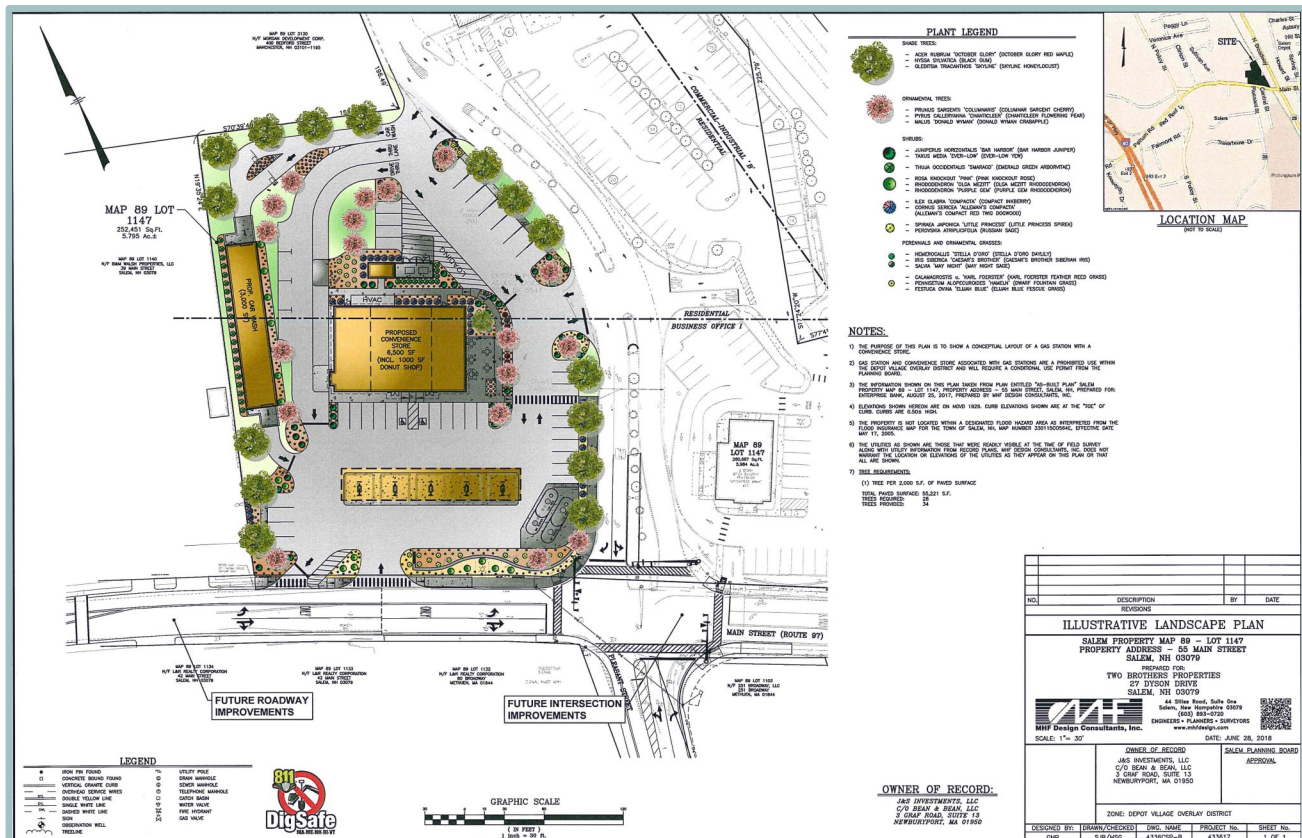

Salem Community Television was happy to host the NHCCM (NH Coalition for Community Media) Summer Outing. This event brought people together from many public access stations: Nashua, Concord, Plaistow, Wolfeboro and Hudson. Salem Community TV in conjunction with the School District Media Department demonstrated the new equipment in the renovated TV Studio, gave tour of the Performance Art Center and a preview of the CTE Production facilities that is still in progress. We are excited to share this with everyone and can't wait to start using them with the community.

Planning Board

Two Brothers Properties submitted a conceptual site plan for a gas station, convenience store, donut shop with drive-through lane, and car wash on Main Street, at the Pleasant Street intersection, next to Enterprise Bank. This plan will be reviewed by the Planning Board on August 14.

Salem Bike-Ped Corridor

Volunteers from the Friends of Salem Bike-Ped Corridor (FSBPC) have installed a new bike repair station. The station was donated by the Granite State Wheelmen bicycling club as an enhancement to the Salem Bike-Ped Corridor. It was installed at the Salem end of the rail trail parking lot just north of where the trail crosses Range Road. Volunteers laid a concrete pad with a paver stone apron to provide an attractive and sturdy base for the station. Mulch and plants were added around the base as well.

The station includes an air pump for filling up bike tires, as well as a variety of other bike maintenance and repair tools connected by sturdy steel cables. A bike can be lifted onto the arms of the station for easy access to the bike components and allowing the wheels to spin freely.

Many thanks to the Granite State Wheelmen for their generous donation and to the FSBPC for their constant efforts to add amenities that enhance the Salem Bike-Ped Corridor. Be sure to stop and thank them when you see them out working on the trail in their volunteer vests!

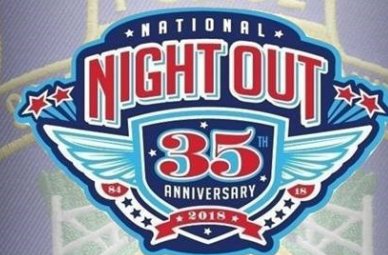

National Night Out

Salem Police Department invites you to join us for our annual National Night Out on August 7, 2018 from 5:30-8:00 at our station. Come down for police demonstrations to include: K9, motorcycles, and TASER. This is always a fun and well-attended event! We look forward to seeing you!

Voluntary Water Restrictions

Voluntary Water Restrictions

Irrigation Only

Effective July 23, 2018

Due to the moderate drought conditions in Southern New Hampshire including Salem, the Board of Selectmen have approved Voluntary Water Restrictions to be put in place until such time conditions change. We are asking our customers when watering by means of automatic irrigation systems or manual sprinklers for lawn or landscape, to please do so **on ODD Days only between the hours of 12:00 AM and 7:00 AM.**

The Town of Salem appreciates your cooperation with these **Voluntary Water Restrictions for irrigation or watering of lawns/landscapes** in an effort to conserve water. Please follow Town announcements closely over the coming summer months for further guidance.
