## Salem Police Host National Night Out

On Tuesday, August 6th, Salem Police held their annual National Night Out. It was filled with local vendors, police vehicles, various demonstrations, a bouncy house obstacle course, animals, raffles and of course, fun! A big thank you to the members of the community that came out to join us!

- } August 26 — Board of Selectmen, 7 PM
- } August 27 — Planning Board, 7 PM

## Planning Board

The new Market Basket plaza in Tuscan North Village was approved by the Planning Board in September 2017. The architecture, landscaping, and signage were designed in accordance with the Salem Design Guidelines. Three more stores are expected to join Market Basket and Home Sense in the plaza, along with 4 additional smaller buildings in the parking lot. Tuscan North Village is the first mixed use project in Salem, combining both residential and commercial land uses in close proximity.

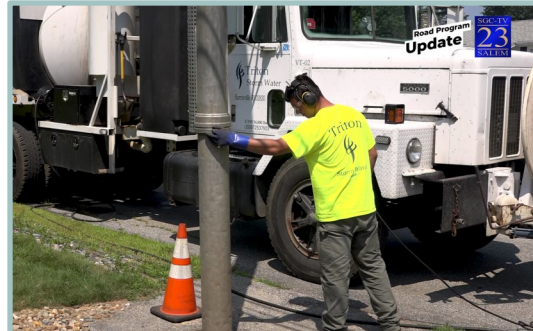

# Municipal Services

## Catch Basin Cleaning

The Department of Public Works has been busy all over town this construction season, milling & overlaying and cleaning the catch basins. Catch basin cleaning is essential in maintaining good water flow. Dave Wholley explained how they check the water levels, inspect the structure of the basin itself, clean it out, and then re-measure to the bottom of the sump. The DPW cleans approximately 1,900 catch basins and they are on a 3 year rotating schedule. It takes about 15 minutes, so if they are on your street just be patient— they leave fairly quickly and it's better than the drains overflowing.

View it on SGC 23 and with this online [link](#).

## Alice Hall Memorial Library Roof

Alice Hall Memorial Library is getting a new roof. A rough winter caused many leaks in the library's roof which created damage to some old artifacts inside the library.

The DPW, along with financial help from the charitable gaming in town, sprang in to action to help preserve Salem's history.

The roof looks good and Dave Wholley from DPW explained a couple of other projects going on in that historic district.

See it on SGC 23 and with this online [link](#).

## Pine Grove Cemetery Tree Clearing

SGC 23 talked with Municipal Services Director, Roy Sorenson, as he described the Pine Grove Cemetery Expansion. The first step in the expansion process is the harvesting of the trees. Roy explained that with the clearing of the back section of the cemetery, it will accommodate approximately 20-30 more years of cemetery use with just this first phase alone. The trees were cut, stacked, hauled away, and finally the stumps were ground down creating a flat surface for future use.

This show is airing on SGC23 and can be viewed with this online [link](#).

# Community Services

Karen Bryant, the Volunteer/Program/Event Coordinator for the Town of Salem Ingram Senior Center, has recently accepted two generous donations to the Intergenerational Collaborative of Salem (ICS). The ICS is a collaborative of organizations, businesses and individuals committed to helping Salem bridge the gaps between older and younger generations. The Mission of ICS is to collaborate in fostering an age integrated community that supports purposeful engagement between generations. Salem Family Resources is the fiscal agent for this program. The funds will be used for trainings, books, and supplies. ICS programs brings senior volunteers into the classroom to participate in reading, gardening, Yoga/movement and cooking classes etc. (volunteers are background checked). For more information on donating or volunteering call Karen Bryant 603-890-2190, kbryant@salemnh.gov.

Karen Bryant accepts a \$2,500 check from Knights of Columbus past Grand Knight Gene Bryant for the Intergenerational Collaborative of Salem.

Karen Bryant accepts a \$1,000 check from Bob Dennis, the President of the Lions Club, for the Intergenerational Collaborative of Salem.
