## Department of Public Works Cleans Up Roadside Litter

Municipal Services Employees have been hard at work with this year's roadside litter clean-up program. The litter pick-up program is a very important service to the community of Salem, and helps our department to safely maintain roadways. Their dedication to a thorough and efficient job is reflected in the **41 streets and locations** that were picked from April 1, 2019 through April 5, 2019. They filled approximately **900 bags** with paper, cans, bottles, batteries, glass, card board, unmentionables, etc. Other items dealt with were tires, hypodermic needles, illegal signs, and car parts. We are very grateful for their efforts in helping us keeping Salem clean and safe. The total tonnage for 2019 was **3.01 tons/6020lbs**.

Great work, and we all appreciate your commitment to keeping Salem clean, safe and devoid of litter!

## APRIL 2019

Sun	Mo	Tue	Wed	Thu	Fri	Sat
	1	2	3	4	5	6
7	8	9	10	11	12	13
14	15	16	17	18	19	20

- } April 15— Board of Selectmen, 7 PM
- } April 16— Planning Board (Tuscan Village), 7 PM
- } April 23— Planning Board, 7 PM

## Planning Board

The Town's Tuscan Village web page has been redesigned to offer easier access to the project's major documents and plans. Approved plans, current plans, as well as material on traffic, drainage, fiscal/municipal impacts, wetlands, floodplain, signage, and parking can be viewed [here](#).

The next Planning Board meetings on Tuscan Village are scheduled for April 16, May 21, and June 18.

## GIS Flyover

The newly approved Town budget included funding for a new base mapping project commonly referred to as a “flyover”. The flyover is an effort to improve/update the town’s mapping of buildings, roads, pavement, waterbodies, infrastructure and topography. The intent is to establish a new, highly accurate baseline that can be actively maintained by the GIS staff as new projects get approved and built. Deliverables will include new high resolution (3”) aerial photography and a new database of observable features and topography. The Town has also opted for delivery of a 3-d model of Salem that may be used for engineering and community design efforts.

The contractor’s airplane is intended to be overhead in the 2<sup>nd</sup> week in April. A town the size of Salem will require 12 flightlines, roughly an hour and a half of flight time. The Town will start to see deliverables in June, with final products available in the fall.

## Fire Department

On Saturday March 30<sup>th</sup>, four Salem Firefighters, Josh Gagnon, Patrick Emanuelson, Robbie Douglas and Andrew Owens participated in the American Lung Association fundraising event FIGHT FOR AIR CLIMB, by climbing 41 floors and 789 stairs in full gear and SCBA air-pack (60 pounds of gear!), at one Boston Place. The SFD members were joined by 450 other local firefighters who also climbed the Boston skyscraper. We want to extend a sincere thank you to everyone who donated to this extremely worthy cause. Each member said they “We’re honored to participate in this event to raise money and awareness for the ALA.”

The Fight for Air Climb is a signature fundraiser event of the ALA, and climbs are held annually in skyscrapers across the United States. Participants climb their way up hundreds of stairs with the goal of raising money to support the ALA’s lung health research, patient education and public policy efforts.

Altogether the SFD Firefighters raised almost \$1,100 and the Boston event raised a total of \$399,495 for the ALA! Great job guys! SFD is proud of you!

# Annual Rabies Clinic

Sponsored by the  
**Salem Lions Club**

Salem Town Hall, 33 Geremonty Drive

Saturday, April 20, 2019, 9:00am-12:00pm

Town Hall also opened for pet registration

For more information please contact:

Carol Sargent at (603) 893-1986 or (603) 512-8049

# Community Services

## Welcome!

Salem Government Channel met the new Community Services Director, Danny Hopkins. He has worked in the public sector for many years and has experience around the

country with various Recreation Departments and Senior Centers. Danny and his wife have family ties to this area and are happy to be in Salem, NH. Danny's office is in the Ingram Senior Center and he emphasized that his door is always open to visitors.

You can view this short interview on SGC 23 and with this online [link](#).

## Bridges Together Intergenerational Program

Karen Bryant has been named as the Salem Family Resources 2019 Children's Champion. Salem Family Resources recognizes a Children's Champion for their significant work toward improving the lives of children in greater Salem in the areas of early learning and development, family wellness and/or advocacy for children and families.

Karen, working as part of the Salem Intergenerational Collaborative Leadership Team, helped bring the Bridges Together program to Salem. The program connects volunteers from the senior center with children of all ages. The photos below show some senior volunteers working with children.

They are still in need of a few volunteers for some of their programs. They are seeking people for their Homework Club working with older students, Healthy Living through Movement, Bridges Together: Our Stories program, Healthy Living through Cooking and their Gardening program. If you are interested in participating or know someone who might be, let Karen know.

## Police Department

The Salem Police Department Lights Up In Blue on April 2<sup>nd</sup> every year in support of Autism Awareness. Officer Mike McCarthy talks about the 60 second light-up and we also talk to members of the community that have a personal interest in Autism support. The event was appreciated by all in attendance and is playing on SGC 23 and can be seen online with this [link](#).
