## Salem Deliberates on 2020 Warrant Articles

On Saturday, February 1, Salem held its Town Deliberative Session at the Seifert Auditorium. At this session, voters had the opportunity to ask questions and make amendments to the warrant articles.

Salem Government Channel 23 has an informative, in-depth show regarding the warrant articles. Town Manager Chris Dillon starts it off with an overview of each article and then Susan McLoughlin gets into more detail with the appropriate department heads regarding their warrant article.

Fire Chief Larry Best describes the decision process regarding Article 7, Land Procurement for a possible new fire station. Municipal Services Director Roy Sorenson discusses the improvements to the Main Street/Bridge Street intersection, 2020 Road Program, Main Street Culvert reconstruction and Water/Sewer to the West Duston neighborhood that is adjacent to Canobie Lake.

Assistant Town Manager Bill Scott and Community Development Coordinator Karri Makinen discuss Article 15, Traffic Signal System Optimization. They inform us about the approved Congestion Mitigation & Air Quality grant that will fund 80% of the work associated with this project, significantly reducing the burden to the tax payers. The project will provide technology updates and an expansion of Salem's Intelligent Transportation System (ITS).

The Warrant Articles & Citizen Petitions show is airing on SGC 23 now and throughout the election season. It can be viewed with this [link](#).

The Voters Guide from the February 1 Town Deliberative Session is available at the link below. The Town election will be held on March 10, 2020.

## Municipal Services

Last week the power company began installing 5 new utility poles to bring power and other services into the auto service road being constructed at the Shannon Road Transfer Station for the new scale house and scale. This is another step in the right direction of our highly anticipated new road to help with congestion and safety concerns on Shannon Road.

# Police Department

Salem PD recently had some very friendly visitors from Girl Scout Troop 58720 that came by for a tour! Even though they didn't bring any of those delicious cookies, we had a wonderful time showing them our home away from home. Thankfully, we think they preferred the front seat of the Police cruiser rather than the back!
