

**Southern New Hampshire Regional Water Project – Route 28 Water Main  
Bi-Weekly Progress Report  
November 1, 2019**

This report identifies work on the Route 28 Water Main Project that Revoli Construction has completed in the last two weeks and anticipates progressing during the next two weeks. Roads will remain open during the day, unless otherwise noted, and delays should be expected. There may be some night time work with alternating traffic around the work zones. Officers or flaggers will help you pass through the work zones. Thank you for your patience during construction.

**Last Two Weeks**

- Drilling and blasting operations in Windham continued along the project route.
- Water main installation began in North Windham, beginning adjacent to the Derry/Windham line and will continue moving south through the project extents.

**Blasting Preparation Along Route 28**

**Water Main Installation Work Began**

**Preparation for Water Main Install**

**Water Main Installation at Driveway Crossing**

**Next Two Weeks**

- Water main installation will continue moving south on Route 28.
- Drilling and blasting operations to remain ongoing in both North and South Windham.
