

**South Broadway Sewer, Water, and Bridge Improvements  
Bi-Weekly Progress Report  
February 4, 2019**

This report identifies the work on the South Broadway Sewer, Water, and Bridge Improvements Project that DeFelice Corp. has completed in the last 2 weeks and anticipates to be working on during the next two (2) weeks. Roads will remain open during the day, expect delays. There may be some night time work with alternating traffic around the work zone. Officers will help you pass through the work zones. Thank you for your patience during the construction.

**Last Two (2) Weeks**

- Sewer trench installation and dewatering investigations
- Site maintenance and cleanup including trench backfilling
- Installed sewer main testing

Sewer Trench Excavation

Workzone Cleanup

Sewer Service Installation

Trench Backfilling Operations

**Next Two (2) Weeks**

- The following is the sewer and water construction schedule north of Rockingham Boulevard for the next 2 weeks:
  - Sewer main testing will continue.
  - Dewatering pump installations will occur within the work zone.
  - Sewer service identifications.
  - No traffic modifications are expected over the next 2 weeks.
