

## **South Broadway Sewer, Water, and Bridge Improvements Bi-Weekly Progress Report March 22, 2019**

This report identifies the work on the South Broadway Sewer, Water, and Bridge Improvements Project that DeFelice Corp. has completed in the last 2 weeks and anticipates to be working on during the next two (2) weeks. Roads will remain open during the day, expect delays. There may be some night time work with alternating traffic around the work zone. Officers will help you pass through the work zones. Thank you for your patience during the construction.

### **Last Two (2) Weeks**

- Sewer trench excavation along South Broadway
- Sewer Pipe, Manhole, and Chimney Installations
- Groundwater dewatering operations
- Gravel backfill preparations for paving

Sewer Trench Excavation

New Sewer Pipe Installation with Laser Level

Sewer Pipe Installation

Gravel Box Gravel

### **Next Two (2) Weeks**

- The following is the sewer and water construction schedule north of Rockingham Boulevard for the next 2 weeks:
  - Dewatering Wellpoint installations will continue
  - Sewer trench excavation within the workzones
  - Sewer main, sewer manhole and sewer service chimney installations will proceed.
  - Temporary traffic modifications for Southbound traffic on South Broadway near Town Fair Tire
