

**South Broadway Sewer, Water, and Bridge Improvements  
Bi-Weekly Progress Report  
May 7, 2020**

This report identifies the work on the South Broadway Sewer, Water, and Bridge Improvements Project that DeFelice Corp. has completed in the last 2 weeks and anticipates to be working on during the next two (2) weeks. Roads will remain open during the day, expect delays. There may be some night time work with alternating traffic around the work zone. Officers will help you pass through the work zones. Thank you for your patience during the construction.

**Last Two (2) Weeks**

- Paving and striping near the new bridge on South Broadway.
- Concrete preparation for Bridge Guardrails
- Misc. punchlist items and site restorations

Concrete Guardrail Formwork (West)

Guardrail Formwork Preparation

Concrete Guardrail Formwork (East)

**Next Two (2) Weeks**

- Concrete guardrail construction at the new bridge
- Paving operations near the Westchester Street
- Miscellaneous Work along South Broadway
