

**South Broadway Sewer, Water, and Bridge Improvements
Bi-Weekly Progress Report
July 12, 2018**

This report identifies the work on the South Broadway Sewer, Water, and Bridge Improvements Project that DeFelice Corp. has completed in the last 2 weeks and anticipates to be working on during the next two (2) weeks. Roads will remain open during the day, expect delays. There may be some night time work with alternating traffic around the work zone. Officers will help you pass through the work zones. Thank you for your patience during the construction.

Last Two (2) Weeks

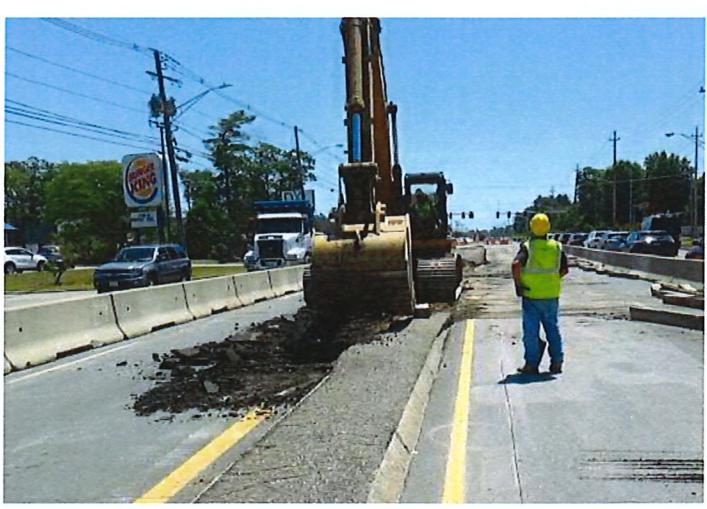

- Work zone barricades and traffic pattern changes between Target and Rockingham Park Boulevard
- Pavement restriping
- Pavement cutting and concrete panel removal

Work Zone Barrier Setting

Work Zone Area Preparation

Next Two (2) Weeks

- Concrete road panel removal
- Wellpoint dewatering equipment installation (some night work anticipated)
- Sewer main and sewer manhole installation begins (some night work anticipated)
