

# **South Broadway Sewer, Water, and Bridge Improvements Bi-Weekly Progress Report August 19, 2019**

This report identifies the work on the South Broadway Sewer, Water, and Bridge Improvements Project that DeFelice Corp. has completed in the last 2 weeks and anticipates to be working on during the next two (2) weeks. Roads will remain open during the day, expect delays. There may be some night time work with alternating traffic around the work zone. Officers will help you pass through the work zones. Thank you for your patience during the construction.

## **Last Two (2) Weeks**

- Sewer and water service installations to the new mains
- Sewer manhole inverts construction
- Water and sewer main testing

Service installations

Service installations

Service Installations

Invert and sewer flow inspection

## **Next Two (2) Weeks**

- Service trench paving operations to begin the week of 8/19/19 from the Salem Depot south towards Angela's Drive:
  - Traffic will be affected with South Broadway southbound traffic detoured during portions of the paving operations.
- Water and sewer service installations will continue.
- Sewer and water testing will continue.
