

**South Broadway Sewer, Water, and Bridge Improvements
Bi-Weekly Progress Report
September 19, 2018**

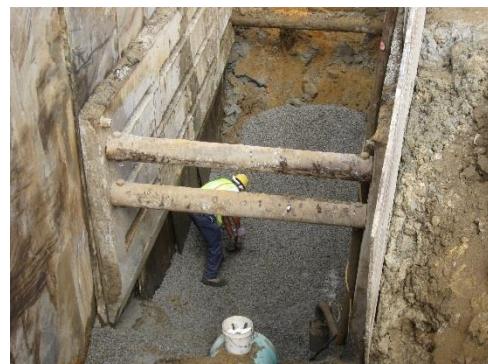

This report identifies the work on the South Broadway Sewer, Water, and Bridge Improvements Project that DeFelice Corp. has completed in the last 2 weeks and anticipates to be working on during the next two (2) weeks. Roads will remain open during the day, expect delays. There may be some night time work with alternating traffic around the work zone. Officers will help you pass through the work zones. Thank you for your patience during the construction.

Last Two (2) Weeks

- Sewer trench excavations along South Broadway
- Sewer Service lateral investigations
- Sewer main and sewer manhole installations.
- New water main installation and testing.

Sewer Trench Installation

Sewer Main Bedding Installation

New Sewer Manhole

New Water Main Installation

Next Two (2) Weeks

- Water main installation and testing up to Cluff Road.
- Sewer main installation north of Cluff Road.
- Night time and day time construction operations are expected within the next two weeks. Traffic patterns at the intersection of Cluff Road and South Broadway will be affected during night time operations.
- Installation of Water Main through the Cluff Road Intersection (Night Work).
- Regular traffic patterns within the Cluff Road Intersection to resume during the day.
