

**South Broadway Sewer, Water, and Bridge Improvements**  
**Bi-Weekly Progress Report**  
**September 20, 2019**

This report identifies the work on the South Broadway Sewer, Water, and Bridge Improvements Project that DeFelice Corp. has completed in the last 2 weeks and anticipates to be working on during the next two (2) weeks. Roads will remain open during the day, expect delays. There may be some night time work with alternating traffic around the work zone. Officers will help you pass through the work zones. Thank you for your patience during the construction.

**Last Two (2) Weeks**

- Stormwater drain and catch basin installations on Main Street
- Paving on South Broadway
- Nightwork milling and overlaying the intersection of Main Street and South Broadway.
- Water and Sewer service installations.

Catch Basin and Drain Installations

Paving Operations

Pavement Milling

Paving in the Depot Area

**Next Two (2) Weeks**

- Service installations to continue on South Broadway.
- Paving within the intersection of Rockingham Boulevard and South Broadway to begin on October 3<sup>rd</sup>. Traffic patterns will be affected.
- A neighborhood meeting to discuss the Bridge Replacement and traffic pattern changes on South Broadway is planned for Wednesday October 2<sup>nd</sup>.
