

Addendum #1
Issued January 16, 2015
Requests for Bids
Roadway Improvement Project
Main Street Reconstruction
Salem, New Hampshire

Notice to Bidders:

This addendum No. 1 revises, clarifies and becomes part of the bid documents issued and dated 1/5/2014, for the Roadway Improvement Project – Main Street Reconstruction. Receipt of this addendum must be acknowledged in the Bid Form.

Bid Clarifications

1. Supplementary Conditions, Article 5 Bonds and Insurance, SC-5.04.B.1 - Add the following to the first sentence after the words "Owner, Owner's Consultant,":

"property owners at 1 Northeastern Boulevard, 56 Main St and 67 Main St".
2. Supplemental Specification, Amendment to Section 619, Maintenance of Traffic is revised as follows:
 - Add Subsection 1.3 as follows: "The Contractor shall maintain safe and passable pedestrian access through the project at all times during construction."
 - Add Subsection 5.7 as follows: "All costs associated with the work to maintain safe and passable pedestrian access through the project at all times during construction including but not limited to all materials, tools, equipment and labor shall be considered to be included in the Unit price under Item 619.1 - Maintenance of Traffic."
3. Under Base Bid Section 1, the quantity associated with Item 203.5555, Guardrail 25' EAGRT Platform, has been increased to 5 EA. An updated Bid Form, pages 00301A-1 to 00301A-38, has been provided in entirety on green color paper. Bidders shall replace the Bid Form, pages 00301A-1 to 00301A-38, with the one provided in Addendum #1.
4. Under Base Bid Section 1, the quantity associated with Item 606.120, Steel Beam Guardrail (Standard Section) (Steel Post), has been increased to 500 LF. An updated Bid Form, pages 00301A-1 to 00301A-38, has been provided in entirety on green color paper. Bidders shall replace the Bid Form, pages 00301A-1 to 00301A-38, with the one provided in Addendum #1.
5. Under Base Bid Section 1, the quantity associated with Item 606.1455, Beam Guardrail (Terminal Unit Type EAGRT 25' FT.), has been increased to 5 EA. An updated Bid Form, pages 00301A-1 to 00301A-38, has been provided in entirety on green color paper. Bidders

- shall replace the Bid Form, pages 00301A-1 to 00301A-38, with the one provided in Addendum #1.
6. Under Base Bid Section 1, the quantity associated with Item 608.31, Brick Walk Removed and Relaid, has been increased to 15 SY. An updated Bid Form, pages 00301A-1 to 00301A-38, has been provided in entirety on green color paper. Bidders shall replace the Bid Form, pages 00301A-1 to 00301A-38, with the one provided in Addendum #1.
 7. Under Base Bid Section 1, the quantity associated with Item 608.34, 4" Reinforced Concrete Sidewalk (F), has been increased to 40 SY. An updated Bid Form, pages 00301A-1 to 00301A-38, has been provided in entirety on green color paper. Bidders shall replace the Bid Form, pages 00301A-1 to 00301A-38, with the one provided in Addendum #1.
 8. Under Base Bid Section 1, Item 615.02, Traffic Signs Type B (F) has been deleted from the Bid Form. Under Base Bid Section 1, the quantity associated with Item 615.03, Traffic Signs Type C (F), has been increased to 400 SF. An updated Bid Form, pages 00301A-1 to 00301A-38, has been provided in entirety on green color paper. Bidders shall replace the Bid Form, pages 00301A-1 to 00301A-38, with the one provided in Addendum #1.
 9. A trash rack detail, titled "Headwall with Trash Rack", is provided on Sheet 14 of 62 associated with the headwall at Murphy's Ditch. Replace this detail in entirety with the updated detail, drawing SK-1 provided with this Addendum #1. The trash rack shall be as indicated on drawing SK-1 (attached).
 10. Under Base Bid Section 1, the quantity associated with Item 632.0104, Retro-reflective Paint Pavement Marking 4" Line, has been increased to 13,400 LF which includes a quantity of 100 LF associated with painting the parking lot at 56 Main Street. The Contractor shall be aware that this work is anticipated to occur early in the project schedule and will likely be the only pavement marking work occurring at this time. The bid price for this work shall consider and include all labor, materials and equipment including scheduling of subcontractors to accomplish the work at 56 Main Street. An updated Bid Form, pages 00301A-1 to 00301A-38, has been provided in entirety on green color paper. Bidders shall replace the Bid Form, pages 00301A-1 to 00301A-38, with the one provided in Addendum #1.
 11. Under Base Bid Section 1, the quantity associated with Item 645.533, Inlet Filter Baskets, has been increased to 34 EA. An updated Bid Form, pages 00301A-1 to 00301A-38, has been provided in entirety on green color paper. Bidders shall replace the Bid Form, pages 00301A-1 to 00301A-38, with the one provided in Addendum #1.
 12. Under the Notes provided on the Utility Plans, sheets 31 to 36 of 62, Note 5 is revised to read: "Contractor shall remove and reset all gates valves and water shut offs to 5' behind the curb at locations where the proposed curb may interfere with the existing valve or shut off."
 13. Sheet 44 of 62, Traffic Signal Plan Location 2, is revised to update the notes indicating the 40' mast arm is to be relocated and the 50' mast arm is proposed. Replace sheet 44 of 62 with the sheet provided in this Addendum #1 (attached).

14. Under Base Bid Section 1, the quantity associated with Item 304.4, Crushed Stone Fine Gradation (F) has been decreased to 1,020 CY. This item is the crushed stone fine quantity associated with driveways, sidewalks and the full depth construction areas of the roadway. An updated Bid Form, pages 00301A-1 to 00301A-38, has been provided in entirety on green color paper. Bidders shall replace the Bid Form, pages 00301A-1 to 00301A-38, with the one provided in Addendum #1.
15. Under Base Bid Section 1, Item 304.401 Crushed Stone Fine Gradation has been added to the project bid items with a quantity of 1,160 CY. This item is the crushed stone fine quantity associated with gravel shim of the roadway, material for longitudinal drainage trenches and the work at 56 Main Street. An updated Bid Form, pages 00301A-1 to 00301A-38, has been provided in entirety on green color paper. Bidders shall replace the Bid Form, pages 00301A-1 to 00301A-38, with the one provided in Addendum #1.
16. Under Base Bid Section 1, Item 912.1, R&R Light Pole has been added to the project bid items with a lump sum quantity of 1 LS. This work is location south of the intersection of Northeastern Boulevard and North Policy Street. This item includes the removal and relocation of the pole including the base, extending conduit and wire as necessary and coordination with the Owner prior to conducting the work. An updated Bid Form, pages 00301A-1 to 00301A-38, has been provided in entirety on green color paper. Bidders shall replace the Bid Form, pages 00301A-1 to 00301A-38, with the one provided in Addendum #1.
17. Under Base Bid Section 4, Item 615.02, Traffic Signs Type B (F) has been deleted from the Bid Form. Under Base Bid Section 4, the quantity associated with Item 615.03, Traffic Signs Type C (F), has been increased to 50 SF. An updated Bid Form, pages 00301A-1 to 00301A-38, has been provided in entirety on green color paper. Bidders shall replace the Bid Form, pages 00301A-1 to 00301A-38, with the one provided in Addendum #1.
18. Under Base Bid Section 5, Item 692 – Mobilization and Item 1010.2 - Asphalt Cement Adjustment have been deleted and Section 5 has been reformatted consistent with the other base bid sections. An updated Bid Form, pages 00301A-1 to 00301A-38, has been provided in entirety on green color paper. Bidders shall replace the Bid Form, pages 00301A-1 to 00301A-38, with the one provided in Addendum #1.
19. Section 01050, Field Engineering and Prosecution of Work, Subsection 1.3 Submittals, A.,5 replace the last sentence of the paragraph with the following:

"These sketches shall meet or exceed the requirements of the Town of Salem Water and Sewer Departments and shall be incorporated into the As-Built Record Drawings."
20. Technical Specifications – Delete this section in its entirety. An updated section has been provided in its entirety on green color paper. Bidders shall replace this section with the one provided in this Addendum #1 (attached).

21. Supplemental Specification, Amendment to Section 101 – Definition and Terms – Delete this section in its entirety. And updated section has been provided in its entirety on green color paper. Bidders shall replace this section with the one provided in this Addendum #1 (attached).
22. Special Attention, Asphalt Cement Adjustment – Replace the second to the last paragraph: "The formula used by the Town of Salem is provided under the Special Provisions -Section 1010.2, Asphalt Cement Adjustment in the Contract and Specifications."
23. Special Provision, Section 1010.2, Asphalt Cement Adjustment – Under subsections 4.1.1 and 4.1.2 delete the language "(sample attached)" and replace with the language "(sample provided under section Special Attentions, Asphalt Cement Adjustment)."
24. Sheet 40 of 62, incorrectly notes "4" SSLW" (white) for pavement marking along the island at the entrance to the Tuscan Kitchen. The pavement marking along the island at the entrance to the Tuscan Kitchen shall be "4" SSLY" (yellow).

SECTION 00301A

BID

To the Town of Salem, New Hampshire, herein called the Owner, acting by and through its Engineering Department, for the Roadway Improvement – Main Street:

The Undersigned, as bidder, herein referred to as singular and masculine, declares as follows:

- (1) The only parties interested in this BID as Principals are named herein;
- (2) This BID is made without collusion with any other person, firm, or corporation;
- (3) No officer, agent, or employee of the Owner is directly or indirectly interested in this BID;
- (4) He has carefully examined the site and adjacent areas of the proposed Work and fully informed and satisfied himself as to the conditions and restraints existing, the character and requirements of the proposed Work, the difficulties attendant upon its execution given said conditions and restraints, and the accuracy of all estimated quantities stated in this BID, and he has carefully read and examined the Contract Documents therein referred to and knows and understands the terms and provisions thereof;
- (5) He understands that information relative to subsurface and other conditions, natural phenomena, existing pipes, foundations, and other structures (surface and/or subsurface) has been furnished only for his information and convenience without any warranty or guarantee, expressed or implied, that the subsurface and/or other conditions, natural phenomena, existing pipes, foundations, and other structures (surface and/or subsurface) actually encountered will be the same as those shown in the Contract Documents and he agrees that he shall not use or be entitled to use any such information made available to him through the Contract Documents or otherwise or obtained by him in his own examination of the site, as a basis of or ground for any claim against the Owner or the Engineer arising from or by reason of any variance which may exist between the aforesaid information made available to or acquired by him and the subsurface and/or other conditions, natural phenomena, existing pipes, foundations, and other structures (surface and/or subsurface) actually encountered during the construction work, and he has made due allowance therefore in this BID;

BID

00301A -1

- (6) He understands that protection of public or private property is the Contractor's responsibility and any damage, whether in or out of the work limit, to any public or private property, facility, structure or utility resulting from any action of his in the prosecution of work shall be his sole burden to correct to the fullest satisfaction of the owner of such public or private property, facility, structure or utility. He understands that no additional compensation of any kind is warranted or will be granted for any damage to any public or private property, facility, structure or utility damaged as a result of his prosecution of any work;
- (7) he understands that the quantities of work tabulated in this BID or indicated in the Contract Documents are only approximate and are subject to increase or decrease as deemed necessary by the Engineer;
- (8) he agrees that, if this BID is accepted he will contract with the Owner, as provided in the copy of the Contract Documents deposited in the office of the Engineer, this BID form being part of said Contract Documents, and that he will perform all the work and furnish all the materials and equipment, and provide all labor, services, plant, machinery, apparatus, appliances, tools, supplies and all other things required by the Contract Documents in the manner and within the time therein prescribed and according to the requirements of the Engineer as therein set forth, and that he will take in full payment therefore the lump sum or unit price applicable to each item of the Work as stated in the schedule below.

Note: Bidders must submit a completed Statement of Bidders Qualifications with the Bid. Failure to submit a completed Statement of Bidders Qualifications may be deemed by the Owner as a non-responsive Bid. Refer to Section 00420.

Note: Bidders must bid on each item. All entries in the entire BID must be made clearly and in ink. In case of discrepancy between prices in writing and in figures, the writing shall govern. In case of discrepancy between the product obtained by multiplying the estimated quantity by the unit price, and the extended amount, the product obtained shall govern. In case of discrepancy between total of extended amounts and total amount of bid stated, total of items shall govern. Use the pages in this document when submitting proposal and submit contract documents intact.

This BID includes Addenda number(s) _____ (To be filled in by Bidder if Addenda are issued.)

The undersigned agrees that extra work, if any, performed in accordance with the Article 10 of the General Conditions of the Contract will be paid for in accordance with Article 11 of the General Conditions of the Contract.

If this BID is accepted by the Owner, the undersigned agrees to complete the entire work provided to be done under the Contract within the time stipulated in the AGREEMENT.

As provided in the INSTRUCTIONS TO BIDDERS, the bidder hereby agrees that he will not withdraw this BID for a period of 90 days after the actual date of the opening of the Bid and that, if the Owner shall accept this BID, the bidder will duly execute and acknowledge the AGREEMENT and furnish, duly executed and acknowledged, the required CONTRACT BONDS within ten (10) days after notification that the AGREEMENT and other Contract Documents are ready for signature.

Should the bidder fail to fulfill any of his agreements as hereinabove set forth, the Owner shall have the right to retain as liquidated damages the amount of the bid security which shall become the Owner's property. If a bid bond was given, it is agreed that the amount thereof shall be paid as liquidated damages to the Owner by the Surety.

The bidder, by submittal of this BID, agrees with the Owner that the amount of the bid security deposited with this BID fairly and reasonably represents the amount of damages the Owner will suffer due to the failure of the bidder to fulfill his agreements as above provided.

The undersigned further certifies under penalties of perjury that this bid is in all respects bona fide, fair and made without collusion or fraud with any other person. As used in this paragraph the word "person" shall mean any natural person, joint venture, partnership, corporation or other business or legal entity. The attached CERTIFICATE OF NON-COLLUSION must be signed and submitted as part of the Bid Proposal.

The bidder is a corporation incorporated in the State (or Commonwealth) of _____ - a partnership - an individual. (Bidder must add and delete as necessary to make this sentence read correctly.)

Note: If the bidder is a corporation, affix corporate seal and give below the names of its president, treasurer, and general manager if any; if a partnership, give full names and residential addresses of all partners; and if an individual, give residential address if different from business address.

CERTIFICATE OF NON-COLLUSION

By submission of this Proposal, the bidder and each person signing on behalf of the bidder, certifies as to its own organization, under penalty of perjury, that to the best of their knowledge and belief:

1. The prices in this Bid Proposal have been arrived at independently without collusion, consultation, communication, or agreement with any other bidder or with any competitor for the purpose of restricting competition.
2. Unless required by law, the prices that have been quoted in this Bid Proposal have not been knowingly disclosed and will not knowingly be disclosed by the bidder, directly or indirectly, to any other bidder or competitor prior to opening of Proposals.
3. No attempt has been made or will be made by the bidder to induce any other person, partnership, or corporation to submit or not to submit a proposal for the purpose of restricting competition.
4. The signers of the Proposal hereby tender to the Owner this sworn statement that the named Contractor(s) has not, whether directly or indirectly, entered into any agreement, participated in any collusion, or otherwise taken any action to restrain free competitive bidding in connection with this Proposal.

A Bid Proposal will not be considered for award nor will any award be made where there has not been compliance with the statements in the certification above.

TECHNICAL SPECIFICATIONS

All work shall be in accordance as identified these specifications and with State of New Hampshire, Department of Transportation (NHDOT) Standard Specifications for Road and Bridge Construction, approved and adopted in August 2010 (Standard Specifications).

The NHDOT specifications are hereby amended as follows:

1. Delete Division 100 – General Provisions in its entirety, with the exception of the following sections which are to be retained:

- Section 101 – Definitions and Terms. (Subsections 101.01 through 101.03, 101.05 through 101.09, 101.14 through 101.18, 101.21 through 101.24, 101.33 through 101.37, 101.41, 101.42, 101.44, 101.45, 101.48 through 101.53, 101.54* (Invasive Species), 101.55* (Inspector), 101.57, 101.59 through 101.61, 101.63 through 101.65, 101.67 through 101.70, 101.73 through 101.93, 101.95 through 101.107, 101.110 through 101.112). References to deleted sections shall be deleted unless and where modified in Section 101 of the Supplemental Specifications.

* Definitions 101.54 and 101.55 are each annotated twice in the document. This document uses the definitions for Invasive Species (101.54) and Inspector (101.55).

- Section 104 – Scope of Work (Subsections 104.01, 104.03 through 104.05, 104.10). References to deleted sections shall be deleted unless and where modified in Section 104 of the Supplemental Specifications.
- Section 105 – Control of the Work (Subsections 105.02 and 105.03, 105.05 through 105.07 and 105.09 through 105.15) in accordance with Supplemental Specifications of this section. References to deleted sections shall be deleted unless and where modified in Section 105 of the Supplemental Specifications.
- Section 106 – Control of Material (Subsections 106.01, 106.02, 106.04 through 106.07, 106.09, and 106.10) in accordance with Supplemental Specifications of this section. References to deleted sections shall be deleted unless and where modified in Section 106 of the Supplemental Specifications.
- Section 107 – Legal Relations and Responsibility to Public (Subsections 107.01 through 107.10 and 107.15 through 107.17). References to deleted sections shall be deleted unless and where modified in Section 107 of the Supplemental Specifications.
- Section 108 – Prosecution and Progress (Subsections 108.03 through 108.06). References to deleted sections shall be deleted unless and where modified in Section 107 of the Supplemental Specifications.
- Section 109 – Measurement and Payment (Subsections 109.01, 109.09, and 109.11 only). See Supplemental Specifications for 109.09. References to

TS-1

deleted sections shall be deleted unless and where modified in Section 109 of the Supplemental Specifications.

2. Substitute "Engineer" for "Department", "State", "Bureau of Bridge Design", "Bureau of Research and Materials", "Contract Administrator", or "NHDOT Compliance Review Officer".
3. Substitute "Owner" for "Commissioner", "Governor and Council", or "Executive Council".

All applicable portions of Sections 201 through 718 from the NHDOT Standard Specifications (English Units) apply to this Project, unless modified by the Supplemental Specifications or Special Provisions in this document.

The NHDOT Specifications are periodically supplemented with updates posted on the NHDOT website at

<http://www.nh.gov/dot/org/projectdevelopment/highwaydesign/specifications/supplementals/index.htm>. All applicable supplemental specifications for sections 201 through 718 available at the time that the bid is due will be considered part of this contract specification.

The NHDOT Standard Plans for Road and Bridge Construction considered part of this project are listed in the plan index and are included in the plan set.

This list is not all inclusive and does not relieve the Contractor from complying with any or all NHDOT specifications or plans referred to by the contract documents or referred to by sections of the NHDOT specifications that apply. It is the contractor's responsibility to obtain copies of these specifications and plans. These plans may also be downloaded, free of charge, from the NHDOT website at:

<http://www.nh.gov/dot/org/projectdevelopment/highwaydesign/standardplans/index.htm>

NHDOT standard Specifications for Road and Bridge Construction and NHDOT Standard Plans for Road and Bridge Construction may be purchased from NHDOT, Records Section, 1 Hazen Drive, P.O. Box 483, Concord, NH 03302-0483, Phone No. 603-271-3514. These specifications may be downloaded, free of charge, from the NHDOT website at:

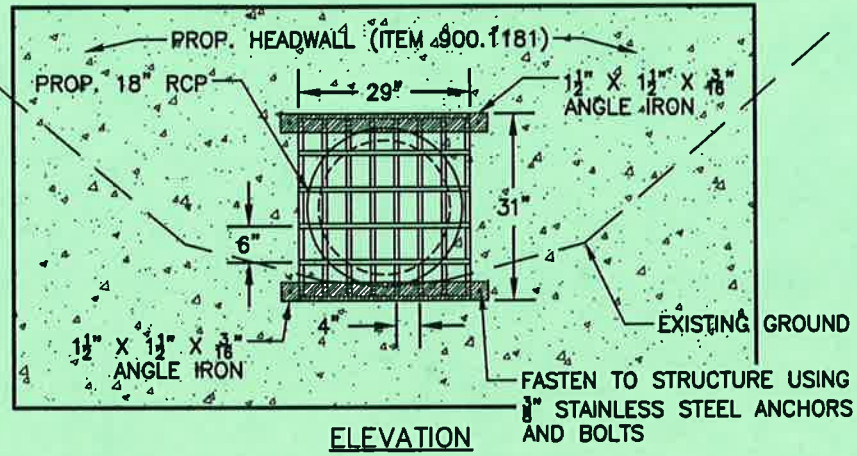

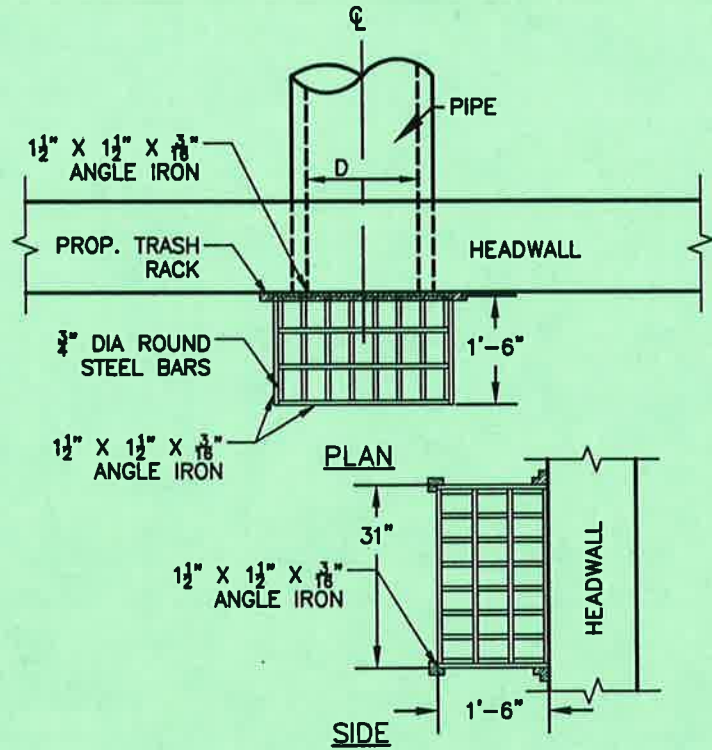

<http://www.nh.gov/dot/org/projectdevelopment/highwaydesign/specifications/index.htm>

Pre Bid Meeting – Main Street

The pre bid meeting was held on Thursday, January 15, 2015 at 2 PM at the Salem Town Hall. The following is a summary of the project as presented at the meeting:

1. Project Location (The project location was reviewed using the cover map on the plans)
2. Base bid –

Section 1 – Main Street – This work includes removal of the pavement by milling, shimming the subbase as required, reshaping the subbase and repaving, reconstruction of sidewalks and granite curbing. All road paving work to be completed at night. Drainage will be replaced within the project limits. Total roadway length is approximately 2,400'.

The work at 56 Main Street is included as part of Base Bid Section 1.

Section 2 – 6" Water Main Removal and Minor Improvements – Work includes abandoning of the existing 6" water main north side of Main Street up to Sullivan Ave. Additional work under Base Bid Section 2 includes replacing and relocating specific water gate valves and water shut offs, and extending services to the 12" water main.

Section 3 – Work includes variable mill and 1 ½" pavement overlay on North Policy Street from the limit of work on Base Bid Section 1 to the limit of work for North Policy Street Reconstruction Project. Some pavement shim is likely required. The work includes adjusting all utility boxes and drainage structures to the proposed grades.

Section 4 – Pleasant Street / Main Street Intersection – This work includes all drainage reconstruction and pavement rehabilitation required for the intersection. All road paving work to be completed at night. The Traffic Signal work at this location (Location 2) will be conducted by others. The Contractor is responsible to coordinate with the contractor building the traffic signal, the utility companies for utility pole relocation and the Owner.

Section 5 – Cornwell Court – Work includes reclaiming the roadway along Cornwell Court. The work may be completed at any time in the project schedule, but once work begins, progress shall be continuous without interruption until completed. Total roadway length is approximately 1,500'.

3. Pavement Sections –

Main Street (Base Bid Section 1) – Milling to remove existing pavement, reshaping subbase and variable shim as needed prior to placing 6" pavement. All road paving work to be completed at night. Localized areas of full depth construction at the intersection with North Policy Street and near St Joseph's Church. Localized areas of High Strength Pavement along North Policy Street on the approach to Main St.

North Policy Street (Base Bid Section 3) – Variable mill and 1 1/2" pavement overlay. Some pavement shim is likely required. All road paving work to be completed at night.

Main Street (Base Bid Section 4) – Variable mill and 1 1/2" pavement overlay. All road paving work to be completed at night.

Cornwell Court (Base Bid Section 5) – 10" reclaim and 4" pavement section. Primarily a reclaim in place with some box widening at entrance. The Town will provide a profile prior to start of construction but quantities are intended to be representative of work. Any excess reclaim will be salvaged to Town (Shannon Road site) as subsidiary to the item.

4. The work includes replacing the pedestrian Traffic Signal (Location 1) near the Fisk School.
5. Drainage work adjacent to the Fisk School property (Drainage Notes 86, 87, 88, 89, 90, and 91) shall be constructed during April Recess starting April 27 to May 1, 2015.
6. Significant flow of stormwater at Murphy's ditch on Main Street at approximately station 110+50. There are also wetlands and invasive species at the drainage outfall adjacent to the Fisk School property.
7. Main Street encounters high traffic volumes. It is a requirement that Main Street remain open during the entire duration of construction.

8. Construction Schedule

- Approval of Funds is needed at the March Town Meeting Vote.
- Anticipated construction start in early April with substantial completion on October 23, 2015.
- All drainage work at the Fisk School property is to be completed during School Recess from April 27 to May 1, 2015.
- Intermediate substantial completion date for the North Policy Street (Base Bid Section 3) work is May 15, 2015.
- Intermediate substantial completion date for the work at 56 Main Street is May 22, 2015.
- All components of roadway work along Main Street (Base Bid Section 1) shall be substantially complete by August 21, 2015.

9. Other Projects

I-93 Exit 2 and Exit 3 are currently under construction by NHDOT.

North Policy Street Reconstruction project.

Water project (by others) in Windham along North Policy Street to Range Rd to Old Rockingham Rd will be ongoing if water funding is appropriated.

10. Bids are due on Thursday January 27, 2015 by 2:00 PM at Salem Town Hall.

11. The following questions were asked, and were answered by Bob Puff, the Director of Engineering at the meeting:

- What is the date that the asphalt cement adjustment will be based upon? Bob noted that the asphalt cement adjustment would be based upon the award date, however this was an error. The asphalt cement adjustment is based upon the price at the time of contract bid opening as noted in the Special Provision, Item 1010.2, Asphalt Cement Adjustment.

In addition, Bob noted the following relative to the project:

- Night paving work is only associated with Base Bid Sections 1 and 4. Jerry had mistakenly noted night paving associated with the Base Bid Section 3 Work during the presentation. The paving associated with Base Bid Section 3 shall be during day time operations. The work day ends at 3:30 PM.
- The pavement section is 32' wide along Main Street and sufficient space, with proper traffic management, should be available to perform elements of the work such as curb setting, sidewalk and driveway construction and drainage construction during normal day time operations.
- Pedestrian traffic must be maintained along Main Street and Bob emphasized that children walk to the Fisk School.
