

**Lawrence Road over Spicket River  
Bi-Weekly Progress Report  
August 23, 2010**

This report identifies work associated with the Lawrence Road bridge project. Below is a summary of work that the contractor, MAS Building & Bridge, completed in the last 2 weeks and anticipated work to be performed in the next 2 weeks.

**Last 2 Weeks**

- Excavate, form and place steel for west side wingwalls.
- Complete grouting box beam shear keys.
- Begin construction of curb forms.

Installing rebar in wingwall

View of box beams and wingwall forms

## Next 2 Weeks

- Pour concrete for all four wingwalls.
- Form and pour concrete for bridge deck.
- Form and pour bridge curbs.
- Install storm drainage on east and west approaches.
