

**TOWN OF SALEM NH  
REQUEST FOR PROPOSALS  
RFP 2022-048  
SEWER MAIN LINING**

**Addendum #1**

**Q1: Is there any CCTV Video of the sewer main for this project?**

*A1: Yes*

*We do have a CCTV video. If you would like a copy of it if you can either provide a drop box link/FTP Site Link, or if you are able to Town Hall, we would be more than happy to put it on a provided thumb drive.*

**Q2: What is the anticipated start date and is there a completion date for the project?**

*A2: The start and end dates are flexible, but we would like the work completed as soon as possible.*

**Q3: Are there any service connections to be reinstated on the project?**

*A3: There are two services to be reinstated. Please refer the Scope of Work in the bid documents.*

**Q4: Will a warranty be required for the liner?**

*A4: A warranty is required. Please refer the Guarantees and Warranties section of the bid documents.*

**Q4: If price is below \$40,000, can that just be the bid price and/or have no Bond at all?**

*A4: The Town wants the performance bond set at \$40,000 and the amount is not negotiable.*
