## NOTICE OF AWARD

**Date:** April 22, 2022

**To:** Gia Faccadio, Purchasing Agent

**From:** James Danis, Capital Projects Engineer

**cc:** Roy Sorenson, Municipal Services Director

Nicole McGee, Finance Director

**RE: Salem Depot Ring Roads RFQ (2022-002)**  
**Final Selection of Engineering Consultant**

---

This memo shall serve as notice of final selection of the Engineering Consultant for the Salem Depot Ring Roads Project (RFQ 2022-002). The Town received five qualifications statements in response to the RFQ. Perspective consultants are as follows:

Greenman Pederson, Inc.

McFarland Johnson, Inc.

TEC, Inc.

VHB, Inc.

Weston & Sampson, Inc.

After review of the Qualifications Statements, the selection committee shortlisted three firms for interviews. Short List firms are as follows:

McFarland Johnson, Inc.

TEC, Inc.

VHB, Inc.

Upon completion of interviews, McFarland Johnson was selected as the Town's consultant for this qualifications-based selection process. They will be awarded all design work associated with the Salem Depot Ring Roads as described in the RFQ pending favorable scope and fee negotiations.

Separately, VHB, Inc. is being awarded design services for the portion of the RFQ related to the NH Rt111/Ermer Road Intersection improvements.
