

**TOWN OF SALEM NH
REQUEST FOR BIDS
RFB 2023-008
FORD F350 UTILITY
Addendum #1**

Q1: In the bid it says that we need to hold pricing for the entire term of the contract, but it does not say how long that is. Can we verify how long we need to hold pricing for?

A1: Pricing held per year of build. Preferably the Town would like to get the truck within one year of award at the most. Additional market lead times and delays are understood, and pricing can be adjusted but the Town reserves right to rebid or seek other avenues.
