DVAC will resume meetings for considerations of open space development in the Depot. The RFQ will be administered through members of DVAC with a recommendation/update to Town Council for consideration by June of 2024.	

COMMITTEE	DEPOT VILLAGE ADVISORY (DVAC)
GOAL	FRONT LEG – DEPOT SOUTH RAIL TRAIL
Engineering has submitted a temporary use permit to the NH Department of Transportation Bureau of Rail & Transit for the front leg of the Depot South Rail Trail Phase 4. The section will mimic the area in front of the Depot Train Station and potentially include a small plaza with flagpoles to be funded in part by the Veterans Group. Concepts and proposals are in the process now with consideration to DVAC by June of 2024 and then Town Council by July of 2024.
