RE: Economic Development Committee 3 SMART Goals

DATE: April 24, 2024

---

1. Assist Master Plan Steering Committee with their objectives.
  - a. Help Master Plan Steering Committee complete 2024 town master plan via outreach to local community.
2. Increase understanding of what can be accomplished in the town in relation to economic development and Master Plan.
  - a. Reach out to 5 or more organizations to grow knowledge on ideas to develop “good” growth opportunities for all constituencies in the town in 2024
3. Evaluate opportunities to improve the tax base.
  - a. In 2014, EDC will come up with at least one area best for town revenue increase by reviewing our existing property valuation map and identify “low” value properties versus comparable.
