

# MSD AFFILIATED COMMITTEES GOALS

## Road Stabilization Committee

COMMITTEE	ROAD STABILIZATION
GOAL	ANNUAL ROAD PROGRAM
	<p>The Road Stabilization will commence its first meeting in April of 2024 for first analysis and review of all bids with recommendation to Town Council April 15, 2024. Funding and/or program adjustments will be made at that time. Subsequent goals will include a strategic look ahead based on current market costs and program guidelines in the 2023 PCI Report. A funding analysis will be considered based on FY23 and FY24 approved budgets and how that may change and/or alter the program moreover if the program shifts to a larger percentage of mill/overlay consideration. This first look analysis for FY25 could be brought to the Town Council in September of 2024 for consideration.</p>
