

Route 97 / Route 28 (Salem Depot) Intersection Improvements Project
Bi-Weekly Progress Report
August 01, 2022

This report identifies the work on the Salem Depot Intersection project that LEC-Civil Contractors has completed in the last two (2) weeks and is anticipated to be working on during the next two (2) weeks. Roads will remain open, expect delays. Officers will help you pass through the work zones. Thank you for your patience during the construction process.

Work Completed on Salem Depot Intersection

- Portions of the sidewalks on the west side of Route 28 were final graded
- Portions of the signal and lighting infrastructure were installed
- Granite curbing was installed in multiple locations

Contractor setting curbing in concrete on Main Street

Subcontractor installing new decorative light poles

Freshly graded sidewalk on North Broadway.

Concrete light pole base being removed to allow for the installation of new sidewalk at the intersection.

Next Two (2) Weeks

- The remaining sidewalk areas will be graded and concrete sidewalk will start to be poured.
- Signal and lighting infrastructure will continue to be installed.
