# November 2024

Dear Team,

I'm excited to announce that Adam Hough has been recognized as our Employee of the Month! His exceptional dedication, resourcefulness, and commitment to our team's success have truly set him apart.

Over the past month, Adam has taken on additional responsibilities and shown incredible ingenuity. Recently, he earned his license to perform state vehicle inspections, which directly saves the town money. He also demonstrated remarkable problem-solving skills by transferring an engine from a damaged vehicle to one with a blown engine, extending the life of our fleet. In another example of his creativity, he even repurposed old street signs to patch rust damage, making the most of our available resources.

Despite being displaced during construction at the DPW building, Adam has maintained a positive attitude, consistently boosting team morale and ensuring our operations run smoothly. His proactive approach and willingness to support his colleagues reflect the values we strive for as a team.

Please join me in congratulating Adam on this well-deserved recognition. Thank you, Adam, for your hard work and outstanding contributions!
