

TOWN OF SALEM, NEW HAMPSHIRE
By the Salem Town Council

Resolution #2024-41
Main Street Culvert Emergency Repair

WHEREAS: The Town of Salem owns and maintains a drainage system and/or culvert at or near 142 Main Street which flows water from the Millville watershed to Policy Brook.

WHEREAS: This culvert has been plagued with issues for the past twenty years including several ancillary repairs in the east bound lane gutter and now more recently in the west bound lane due to corrosion of the galvanized pipes.

WHEREAS: This culvert is in one of the heaviest traveled corridors in town notwithstanding direct response routes for Central Fire, moreover, requiring an emergency repair to be performed as to not close the road and create additional and/or unnecessary impacts to the public, residents, and businesses.

WHEREAS: Monies from the Roadway Stabilization Program and Roadway Capital Reserve are and have been utilized as prescribed in the warrant for and including the purpose of repair and/or reconstruction of existing roads, and associated drainage improvements.

WHEREAS: The Road Stabilization Committee, at a meeting held on September 4, 2024, discussed the necessary actions, and unanimously voted in favor to expend available monies from the 2024 Road Program.

NOW, THEREFORE, BE IT RESOLVED BY THE SALEM TOWN COUNCIL THAT:

Funding in the amount of \$140,000 from the 2024 Road Program shall be made available and appropriated for all costs associated with the emergency culvert repair at 142 Main Street.
