Dear Mr. Vichich:

The Town of Salem is in receipt of your request for documents under NH RSA 91-A, which we received on June 16, 2025.

As you know, in accordance with NH RSA 91-A:4, IV(b-1-3), the Town of Salem shall, within five business days, “make such record available, deny the request (to include a brief explanation of how the exemption applies to the record withheld), or provide a written statement of the time reasonably necessary to determine whether the request shall be granted or denied and the reason for the delay.” Please consider this letter as fulfillment of your request.

In your request, you specifically requested the following:

Specifically, we are requesting electronic records of all purchase orders issued by the Town of Salem from January 1, 2020, through March 31, 2025, across all departments.

Enclosed are the readily available records of Purchase Orders from January 2020 to March 2025.
