

**South Shore Road Improvements Project
Bi-Weekly Progress Report
May 16, 2016 - May 27, 2016**

This report identifies the work on the Main Street project that N Granese Inc. has completed in the last two (2) weeks and is anticipated to be working on during the next two (2) weeks. Roads will remain open, expect delays. Officers will help you pass through the work zones. Thank you for your patience during the construction process.

Last Two (2) Weeks

- Installed 3" Low Pressure Sewer Main and manholes to house #30 on South Shore Road.
- Installed the related services for the homeowners within these limits
- Gravity sewer work started on Northeastern Blvd

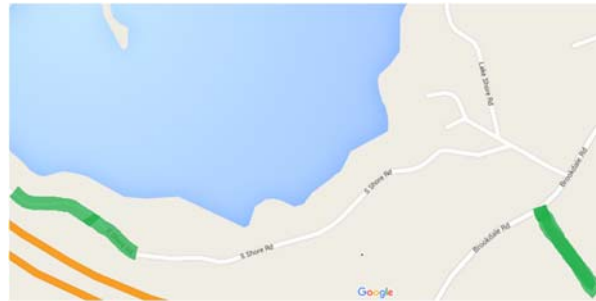

Sewer Service installed at Home

Preliminary Work for North East BLVD.

Final Tree Removal to occur on South Shore Road

Green indicates anticipated work from May 16, 2016 through May 27, 2016.

Next Two (2) Weeks

- #30 to Windham Town Line, installation of 3" Sewer Main.
- Finish sewer services on South Shore Road
- Finish Sewer line work on Northeast Blvd, towards Brookdale.
- Complete directional drilling under Brookdale Road
